AsiaPay Ranked Among Deloitte Technology Fast 500(TM) Asia Pacific

Also Awarded Best of Financial Applications (Merit Award) in 10th International APICTA Award 2010

HONG KONG, Dec. 6, 2010 /PRNewswire-Asia/ -- AsiaPay Limited, a leading electronic payment service, solution and technology provider in Asia, is honoured to be named Asia's top 500 fastest growing technology companies in the Asia Pacific region by Deloitte today. This award aims to recognize the effort and dedication of the fastest-growing technology companies in Asia

“We are very honored to receive this prestigious award,” said Joseph Chan, CEO of AsiaPay. “This award shows recognition of AsiaPay’s fore-front effort in the ePayment technology space and its ability to continue solid fast business and revenue growth in the market. We will continue to expand dynamically across geographic regions, product lines, use of technologies as well as to enhance service and operation management, enhancing value to our clients while optimizing business growth opportunities in coming years.”

AsiaPay’s proven and comprehensive suite of advanced electronic payment service and technologies enables banks, payment service providers, and thousands of MNCs and merchants in Asia to process and manage electronic payments securely, conveniently and cost-effectively. In addition to the provision of more prevailing payment acceptance in Asia on its multi-lingual and multi-currency processing platform, AsiaPay strives to continue its usual effort to bring latest ePayment values to merchants including mobile payments, prepayment, eMall platform, DCC processing as well as advanced fraud management tools.

Prior to this award, AsiaPay was also honored to receive the “Best Financial applications (Merit Award)” of last 2010 APICTA award held in Malaysia.
